DAY ONE:

Wednesday, 16 September, 2015

This was the reporting date to all members of the reunion to our Base Camp of Sheraton Milwaukee-Brookfield. Reunion attendees who came in early or arrived today were seen sharing memories and pictures from years gone by. It was also interesting seeing friends reuniting for the first time after 40 years or more. Some came in early and began checking out the Area of Operation also known as Wisconsin.

DAY TWO:

Thursday, 17 September 2015

The day started out with many of our members even from different eras seen together again enjoying good fellowship and companionship at the breakfast tables. The day started out with an "Opening Ceremony" where Waukesha WI Vietnam Veterans of America Chapter 425 presented the flag, led the Pledge of Allegiance and had a moment of silence for the veterans and family members of our units who have passed away. We were then off to tour the Harley Davidson Museum and MillerCoors Brewery. The amount and size of the "samples" at the brewery were appreciated by many. After returning to Base Camp Sheraton it was time for a "tail-gating" meal of brats and burgers (a staple during Milwaukee Brewer and Green Bay Packer home games).

DAY THREE:**Friday, 18 September 2015**

After breakfast at the hotel, it was off to tour the City of Milwaukee and the Milwaukee area. We then had lunch and toured Miller Park where we walked on the warning track, went into the Bull Pen and visitor's dugout. The tour went into the radio broadcast booth and into the batting area where we met Brewer Batting Coach Darnell Coles. He spoke to us about how he prepares the players for the pitcher(s) they will face in that game. Then it was back to Base Camp for group pictures and a short video that was taken and sent to Jim and Sharon Wark. The meal this evening was again a Wisconsin tradition, a fish fry. The speaker for the evening was Bob Kelley (USA Lt. Col retired) who is now the Senior Intelligence Officer for Homeland Security in WI. He spoke about intelligence gathering when he was in Iraq and Afghanistan. He said our group was very interesting to talk to as we were aware of what he was speaking about. Some of the group said that his information helped them validate that what we did in Vietnam was important for future intelligence gathering also.

A short business meeting was held where we thanked those that helped with the reunion, discussed locations for future reunions, being primarily in the Midwest for shorter travel times for attendees from both the east and west coasts. Paul Amati has designed a T-shirt that was well received by the attendees and is taking orders from any veteran of the units; here is his email if you are interested in purchasing a T-shirt paa912@yahoo.com . Bob Hobson presented a sticker to each person attending the reunion that was designed similar to the ASA patch we wore when not in Vietnam. The banquet ended with a presentation by George and Janet Natt to Tom and Sue Heiser of a \$1000 check in memory of Dale Lawrence who had recently passed away to be used on the 328th Radio Research web site <http://chulai.lciv.com>. He also presented Tom & Sue with a Thank You card signed by all attendees with money for them to be use to travel on a non-reunion trip. This was completely unexpected and appreciated more than words can say.

We hope you will be able to attend any and all future reunions. Hope to see you all in 2017.

Thank you one and all.

Tom & Sue Heiser
